

24 HOUR CREAM SHADOWS & TRIPTYCHS

Features

- Waterproof, sweat, and humidity resistant

Available in kits with complementary colors for the shadows and liners, along with application instructions for different looks

Advantages

- Formulated to stay once set and designed for eyelash extensions

Gives wearers a variety of lash friendly, eye makeup looks

Benefits

- No need to worry about damaging extensions
- Eye shadows won't smudge or streak

Clients will be happier, lashes will look great longer, and will require fewer touch up appointments
