

ADHESIVE REMOVER

Features

Light weight liquid and mess free formula

Acetone and alcohol-free formula

Extended shelf life

Small usage amount

Advantages

- Stress-free and quick application
 - Less residue is left behind as opposed to other formulas that are a thick cream or gel-like substance which require a deeper clean to remove excess residue on the natural lashes
-

- Gentle
 - Moisturizing and Conditioning
 - Great for sensitive clients
 - Unscented
-

- No need to replace often, use to the last drop
 - Saves artists' money vs other products that don't last as long
-

- A few drops of remover are all you'll need for an easy removal
-

Benefits

- More time to lash
 - Easy clean up
 - Lowers the risk of product staying on client's natural lashes
-

- Safe to use on skin and lashes
 - Healthy, safe, and damage free removal
 - Non-irritating
-

- Shelf life up to 3 years means no waste and artists can use as needed
-

- A little goes a long way, the bottle lasts longer
-
