

# LASHLINER WITH SHARPENER

## Features

Micro-slim tip pencil

---

Made for thin or thick lashes

---

## Advantages

- The thin pencil can be used by anyone to create a wide variety of depth on the lash line, from natural and subtle to thick and dramatic
  - Can go longer without a fill by creating the appearance of a fuller lash line
- 

Gives a bolder appearance even if the clients' natural lashes are thin

---

## Benefits

- Access to even the smallest areas around the eye and lash line create an even darker and thicker appearance to any eye look
  - Buys clients' time in between infills
- 

Use the liner to achieve a full lash line without having to apply heavy extensions to thinner natural lashes

---
