

# LASHBED COVER

## Features

Stretchable fabric

---

Lash artist cutout

---

NovaLash Logo branded on both sides

---

## Advantages

Made with 92% polyester and 8% spandex to increase durability

---

Stylists can easily sit at the end of the lash bed comfortably without fabric in front of the legs

---

Visually represent NovaLash brand rather than a blank bed cover

---

## Benefits

Fits most massage beds easily without struggle

---

Stylists can work more comfortably and efficiently without having to worry about a physical barrier blocking them from working closely on their clients' lashes

---

Clients will see the large NovaLash logo on both side of the lash bed cover, which provides strong marketing visuals

---
