

# LONDON VOLUME .03

## Features

Incredibly thin and lightweight extensions

---

Easy pull-off design

---

Designed with safety in mind

---

Flexible and retains its shape

---

## Advantages

Allows the artist to create larger fans that will not damage the natural lashes

---

Extensions come off effortlessly without residue, creasing, or folding

---

NovaLash focuses on health and safety

---

Clients can continue their active lifestyle without ruining their curl

---

## Benefits

Stylists can make larger, longer, fluffier fans which will still be weightless on the natural lashes while creating a darker and fuller look

---

Fans will stay intact as you remove fans from strip. Less pressure means fans won't come apart

---

Lightweight and delicate extensions were made for even the most sensitive eyes

---

Hypoallergenic synthetic fiber that will not lose its shape during wear

---
