

NOVALASH AFTERCARE KIT

Features

Each kit contains:

- Lint-free conditioning, cleansing, makeup removing pads
- Extension-friendly mascara
- Disposable eyelash brush
- Instruction card

- Glycol and carbonate-free
- Designed specifically for NovaLash Adhesives and Extensions

- Lint-free conditioning, cleansing, and makeup removing pads
- Pomegranate Seed Oil

Advantages

- All-encompassing kit to nourish clients' natural eyelashes and their extensions
- Clients will see better results and longer lasting extensions from using the products in the Aftercare Kit

- The cleansing pads and mascara do not contain harmful chemicals
- Will not break down adhesive
- Will not damage lashes or the lash bond

- Designed for NovaLash extensions and adhesives
- Extremely nourishing and non-comedogenic oil cleans extensions and natural lashes, conditions and strengthens the adhesive bond, gently and effortlessly removes all makeup

Benefits

- Mascara is useful between infill/touch up appointments. Also great on the bottom lashes
- Lash brush is needed for daily brushing to keep extensions straight and untangled

Clients will experience longer retention, resulting in less infills and more customer satisfaction

- Lint-free fibers will not snag the extensions or damage them in any way
- Amazing for skin, doesn't clog pores, increases retention rate
