

NOVAMINX™ JUST 8S & 10S

Features

Tapered tip with a rounded base

Flexible

Matte Black Finish

Sanitary and Hygienic

Multiple lengths

Tray of 8mm and 10mm

Advantages

- Will not rub or irritate the skin when applied properly
- Comfortable wear
- Less irritating
- Less friction and will flesh to the natural lash seamlessly

- Clients can enjoy the same activities without risking damaging their extensions
- Maintains curl when wet

Closely resembles a natural lash

Pre-cut to use only what you need which reduces waste

Variety of lengths in one tray allows the artist to customize

You have a full tray of foundation lashes of either 8 or 10mm based on the client's natural lash length

Benefits

- Great for sensitive clients

- Lifestyle Friendly
- Less maintenance on infills
- Client Satisfaction

Natural look

Reduces Cross Contamination

Greater client satisfaction

- When your customer's lashes grow out, it will grow out beautifully and naturally which will reduce infills and improve customer satisfaction
- As they're growing out and retaining their beauty, you will get more customer referrals
